

PRILOGA 3

This is my favourite toy. It is teddy bear. It is white. It is wearing a red dress. It is soft. I like my toy very much.

My favourite toy is a Barbie doll. I got it for my third birthday. She is very beautiful with long golden hair , blue eyes and a cute smile. I named her "Bella". I enjoy dressing her up. She has long hair like me. My father bought me a makeup set, a doll's house, dresses and different accessories to play with her. After studies I spent most of the time with her. She sleeps with me. Now I have many Barbie dolls but she is my favourite.

My Favourite Toy

My favourite toy is my transformer. It is grey and red and blue. It feels rough. It transforms into a truck. It lives in the toy box with all the other ones. I play with it in the drive. He is a goody.

My Favourite Toy

My favourite toy is my cute little snowman who has cute little mittens. They are green and red. His nose is not a triangle carrot, it's round. He lives in my toy box in the play area. His home is a big box with some hay and a photograph.

Helena

MY FAVORITE TOY

My favorite toy is a doll.

Her name is Jane.

Her hair is long and brown and her eyes are green.

Her top is grey.

Her skirt is blue.

Her shoes are pink.

Her handbag is light blue.

My mum gave it to me because I'm a good girl. She brought it from Sicily last Christmas.

The doll has a pram with a baby doll.

Jane is staying in my bedroom next to my bed.

My favourite toy is a car because I can take it with me everywhere.

My favourite toy looks like a Lamborghini because it's fast like it and I like to play around with it. I just feel like I'm in a real Lamborghini.

My toy car sounds like it's going over the speed limit.

It's so fast that it could go 800mph. I reckon it's the fastest car in the world, but I think it's the Ferrari.
